

Embroidery/Project Bag Quick Start Guide

This guide provides first-time users with information on using Tutto Embroidery/Project Bag.

Quick Start Guide

Setup

Place the embroidery unit Accordingly.

Place padded divider to support arm or fill gap.

Place padded dividers next to unit's body.

Secure

Secure the module with built-in straps.

Tighten the straps across the module.

Cover the module with protective board.

Organize

Store hoops & accessories in the inside or outside pockets. #6219 EM-Small has built-in organizer pockets for all your supplies.

Protective board also acts as a design wall.

Stack the bag on top of your Tutto Machine On Wheels for easy transportation.
